## **Report of Independent Registered Public Accounting Firm**

Board of Directors  
Bayridge Securities, LLC  
San Francisco, California

We have audited the accompanying statement of financial condition of Bayridge Securities, LLC as of December 31, 2014. This financial statement is the responsibility of Bayridge Securities, LLC's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Bayridge Securities, LLC is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bayridge Securities, LLC's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Bayridge Securities, LLC at December 31, 2014, in conformity with accounting principles generally accepted in the United States of America.

# **BAYRIDGE SECURITIES, LLC**

## **NOTES TO STATEMENT OF FINANCIAL CONDITION AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2014**

---

### **1. NATURE OF BUSINESS**

Bayridge Securities, LLC (the "Company") is a wholly owned subsidiary of Condor Trading, LP (the "Parent"). The Company was formed in October 2010, but did not commence operations until 2011. The Company received approval to operate and conduct business as a broker dealer in September 2011, and is registered with the Securities and Exchange Commission (the "SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company's operations consist primarily of providing placement agent services to publicly traded companies. The Company does not carry securities accounts for its customers.

### **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation** — The Statement of Financial Condition is expressed in United States dollars and have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**Use of Estimates** — The preparation of the Company's Statement of Financial Condition in accordance with GAAP requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the Statement of Financial Condition. Actual amounts could differ from those estimates and these differences could be material.

**Cash and Cash Equivalents** — The Company considers highly liquid investments with original maturities of three months or less to be cash equivalents.

**Income Taxes** — As a limited liability company that is treated as a partnership for income tax purposes, the Company is not directly liable for income taxes.

### **3. NET CAPITAL REQUIREMENTS**

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Rule also requires the Company to notify and sometimes obtain approval from the SEC and FINRA for significant withdrawals of capital or loans to affiliates.

At December 31, 2014, the Company's net capital was \$155,004, which was \$150,004 in excess of its minimum requirement of \$5,000, pursuant to the requirements of the Rule. The Company's net capital ratio was 0.19 to 1.

**4. RECEIVABLE FROM AND DEPOSIT WITH CLEARING BROKER**

Receivable from the Company's clearing broker, Goldman Sachs Execution and Clearing L.P., ("Clearing Broker"), is pursuant to the clearance agreement in effect. At December 31, 2014, the Company's receivable from its Clearing Broker is \$10,000, and is entirely maintained as clearing deposit.

**5. FINANCIAL INSTRUMENTS SUBJECT TO OFF-BALANCE SHEET RISK, CREDIT RISK, OR MARKET RISK**

The Company is exposed to credit risk from other brokers, dealers, and financial institutions with which it transacts business, in the event, that, and to the extent that, such counterparties do not fulfill their obligations.

**6. CONCENTRATION OF CREDIT RISK**

The majority of the Company's cash and cash equivalents are held at a single financial institution in a non-interest bearing account. The balance is insured by the Federal Deposit Insurance Corporation up to \$250,000. The Company's management does not believe the credit risk associated with its cash and cash equivalents is significant due to the financial stability of the financial institution.

**7. RELATED-PARTY TRANSACTIONS**

In 2011, the Company entered into an expense sharing and personnel allocation agreement (the "Agreement") with the Parent and its affiliated broker dealer, BTIG, LLC ("BTIG"). From time to time, the Parent or BTIG purchases fixed assets, pays operating expenses or allocates personnel costs to the Company. There are no payables to affiliates at December 31, 2014.

**8. SEC RULE 15c3-3**

The Company is exempt from the Reserve Requirements of computation according to the provision of Rule 15c3-3(k)(2)(ii) of the Securities and Exchange Commission.

The Company is exempt from Rule 15c3-3 as it relates to Possession or Control requirements under the (k)(2)(ii) exemptive provision.
